

Frost, Blaze or Gale? Read the course

Match three fantasy obstacles to the weather call that changes the track.

01 Call the weather for a ghost bridge

Your critter orb reaches a ghost bridge. Which Weather Dial setting makes the bridge solid in RushOrb?

- ▢ Frost
- ▢ Blaze

02 Match a game-world glass gate to its weather call

A new RushOrb game scenario puts a glass gate in front of the runner. Which in-game call clears that kind of gate?

- ▢ Blaze
- ▢ Gale

03 Pick a weather call for a longer jump

In a fictional RushOrb course you need lift and distance to clear a hurdle. Which dial setting is designed for that?

- ▢ Gale
- ▢ Frost
