Turn a second-date idea into an invitation

Write a specific invitation, offer meaningfully different choices and make a rain plan.

01 Turn “sometime” into a second-date invitation

You both enjoyed a coffee date. Write an invitation with one activity, one time window and a comfortable way to decline.

Draft a short invitation

02 Give two date options that genuinely differ

You want someone to be able to choose the kind of outing they would enjoy. Which pair gives them a meaningful choice?

- ☐ The same coffee shop at 2:00 or 2:05
- ☐ A quiet bookshop visit or a lively outdoor market

03 Put a rainy-day backup into a date plan

Your plan is a Saturday park walk. Add one nearby indoor alternative and a point when you will decide together.

Write your backup sentence
